

MOTAN COLORTRONIC LIMITED PRESS RELEASE

Motan Colortronic Joins Facebook

Motan Colortronic Limited demonstrates it sets a high value on communication via social media.

The company's aim in opening a space on the most successful social media platform is to provide information to customers, business partners and employees at regular intervals.

"Social media is ideal for making direct contact with customers and establishing new contacts" states Karl Miller.

Information posted on the new site includes general information, promotions, project reports and pictures.
