

Formed in 1966, PMMDA remains a well-respected Trade Association within the UK Plastics Industry

Our members represent a substantial industrial force within the UK plastics machinery market

“A strong membership will ensure that PMMDA remains a strong voice within the plastics world..”

✓ **QUALITY** ✓ **SERVICE**

FULL MEMBERSHIP or BUSINESS PARTNER MEMBERSHIP

As well as maintaining our main pillars of QUALITY and SERVICE, PMMDA act as an information source for members with regular newsletters highlighting information relevant to business and the industry.

Our aims:

- To promote the common interests of firms engaged in the plastics and allied industries
- The endorsement of co-operation and unity of purpose in the conduct of business
- Exchange of information to improve quality standards
- Co-operation with authorities, organisations and associations to the benefit of the membership

FULL MEMBERSHIP – for UK Machinery Manufacturers and Suppliers

Benefits:

- Business breakfasts/lunches and networking events
- Confidential collection and exchange of market information to provide industry statistics year on year
- Monthly newsletter for communication of business and industry updates
- Profile with links on PMMDA website
- Support via social media
- PMMDA logo to use as a 'stamp of approval'
- Negotiated rates for industry exhibitions, events and seminars
- Feedback on the development of EN and ISO standards
- Mutual support via affiliation with The British Plastics Federation and other industry trade associations and organisations
- Access to group meetings, share of information and generic documents
- Circulation of sales or agency opportunities
- Close links to suppliers and end users through business partner members

BUSINESS PARTNER MEMBERSHIP – for companies working within the plastics industry or whose services and products could be used by PMMDA full member companies

Benefits:

- Business breakfasts/lunches and networking events
- Profile with links on PMMDA website
- Support via social media
- PMMDA logo to use as a 'stamp of approval'
- Mutual support via other industry trade associations and organisations
- Close links to members and improved marketing opportunities
- Enhanced credibility with member companies
